HUNGARY - 4th MEETING

The fourth meeting between the projects partners was held in Budapest, Hungary on 02.03.2018.

The fourth meeting between the projects partners was hosted by Mr. Janos Dobranszky, HU. The meeting enabled the partners to review and be informed upon the status of the project activities and

to agree upon the next steps.

IO1, IO2, IO3 results were finalized and IO4 - IO5 are about to be finished.

All the partners made a

small presentation of their activities for the project from the last TPM.

the conclusions on the interim report sent by the NA were analyzed. According to the report the project is going in accordance to the initial plan-

ning. All partners are involved in achieving the objectives of the project, each being responsible of certain activities.

EmmanuelFranclanza – MECB, MT, has then made a presentation related to the status of IO5 – e-learning content. The English and Romanian versions were already converted into SCORM compliant

format and thoroughly tested. UPB-CAMIS already implemented the euWELD LMS based on Moodle. This was presented to partners with the corresponding link: www.camis.pub.ro/euweldlms.
